

Regent Point Yacht Club

Blessing of the Fleet

Saturday, April 16 • 10:00 a.m.

We celebrate the opening of our 2011 marina event season by gathering under the flagpoles at 10:00 for the traditional "Blessing of the Fleet." Commodore Greg will lead us in the Pledge of Allegiance and a toast to King Neptune. This will be followed by our "**Dock Assigned**" **Brunch** including specialty omelets and pancakes.

Docks A & B - Fruits & Cheeses (strawberries, pineapple slices, cantaloupe chunks, cheese cubes)

Docks C & D - Main Dishes (sausage or egg casseroles, potatoes, quiches)

Docks E & F - Breads & Pastries (bagels, danish, coffee cakes)

The club will provide Bloody Mary's and Mimosas to top off the event!

The local U.S. Coast Guard Auxiliary will be on hand to provide a courtesy safety inspection of your vessel along with a wealth of information on boating safety.

Dust off the sailing items you have in storage and bring them to our "swap meet." This is a great opportunity for you to unload some of your "stuff" and possibly find that one special something you have been looking for ... at your own marina.

Come enjoy the fellowship of your marina neighbors.
