"Chili Cookoff" at Yopps Cove

Saturday, May 1

A remake of a favorite from years ago!

After a leisurely Saturday afternoon sail up and down the Rappahannock, duck into Carter Creek, make a right into Yopps Cove and look for the 3-4 boat raft up.*

Dingy over and take the chill off by sampling some of the best chili the Yacht Club has to offer. A perfect way to end an early spring day of sailing! (BYOB)

**Volunteers needed for "Chili Boats" ... we need your boat and a pot of chili!*
