Independence Day Weekend Cruise to Crisfield

July 2-4

The RPYC cruise to Crisfield, MD is a perennial favorite. We'll depart from the marina early Saturday morning and sail across the Bay to Crisfield. Cool off in the marina pool, take a shower, and then gather for dockside cocktails. If you're still feeling hungry, a short walk into town will allow you to select from several restaurants.

On Sunday, we'll have time to explore the town or even take the ferry over to Tangier for the day. At dusk the town of Crisfield will present a fantastic FIREWORKS show over the harbor.

We'll depart early Monday morning heading back to Regent Point.
