

# Regent Point Yacht Club

## Family Day BBQ

**Saturday, July 24th**

**News Flash: We'll have cool-breeze misters at the marina to help beat the heat!**

Come join us for Butts on the Grill. No, we won't light a fire under your behind, but we will be cooking pork butts for a good old-fashioned BBQ cookout.

Come and bring the whole family. All we ask is that you bring a side—cole slaw, potato salad, pasta salad, baked beans, etc. The club will provide some “Butts” and buns, corn on the cob, and drinks to boot.

Come join in the fun. Escape the heat under the pavillions with the cool breezes in our park-like setting.

We will be pickin your butt off the grill around 5 ... so come and enjoy!
