

Regent Point Yacht Club

Memorial Day Cruise to Onancock

It's the end of May and time for a more serious cruise. Leave Regent Point on Saturday morning and head E NE for Onancock Creek and the "Hidden Jewel of the Eastern Shore" ... Onancock! You'll enjoy some fine "open bay" sailing, followed by a leisurely trip up the tree-lined Onancock Creek, home of some of the finest estates on the Bay! Leave your self six hours, give or take (Sailing's always give or take!)

We've reserved slips at the town marina (You can anchor out and dingy in as well). There's a nice bar/restaurant nearby and plenty of restaurants and shops in town – just a short walk from the marina. There will be a "Pot Luck" (BYOB) cocktail party at the dock at 5:00 and a dinner at one of the town restaurants at 7:00.

Sunday, leave for a destination of your choice back across the Bay or wherever you choose. (If you would like to spend a second day at Onancock, just let me know.)

Contact Greg Groome at

or 804-241-8788 to arrange
for slip and dinner reservations
(if you decide on the group dinner).

More details on slip fees and the
restaurant choice as we send formal
announcements in April!
