

Regent Point Yacht Club

Memorial Day Weekend Cruise

It's the end of May and time for some serious cruising! We'll leave Regent Point on Saturday morning (May 28) and head E NE for Onancock Creek and the "Hidden Jewel of the Eastern Shore" ... the town of Onancock. You'll enjoy some fine "open Bay" sailing, followed by a leisurely trip up tree-lined Onancock Creek, past some of the finest estates on the Chesapeake! Leave your self six hours for the trip, give or take.

We've reserved all available slips at the town marina. (You may still anchor out and dinghy in as well). There's a nice bar/restaurant nearby and plenty of restaurants and shops in town – just a short walk from the marina. We will gather for a "Pot Luck" (BYOB) cocktail party at the dock at 5:00 followed by dinner at one of the town restaurants at 7:00.

On Sunday, leave for a destination of your choice back across the Bay or wherever you choose. (If you would like to spend a second day at Onancock, you may do that as well.)
