

Regent Point Yacht Club

Spring Regatta & Cookout

Saturday, June 11

The first of our two club regattas is scheduled for June 11 when the winds are fresh and the anticipation high! Some call it a race! Some call it a regatta! Most call it a fun “beer cruise” with one the only difference being that you try and beat your friends to the finish line!

You don't need to know the rules! You just need to follow a bunch of boats, pass 'em, and collect your trophy!

After the race, trade stories and cheer the winners over a good old-fashioned cookout. RPYC will furnish the chicken for grilling, fixin's, and some cold beverages. We ask that you bring your favorite covered dish or dessert to share.

Look for more details as the date approaches or contact Glenda Groome for more regatta information or Robin Newland for cookout details.
