

Regent Point Yacht Club

Starburst Raft-Up

Saturday, August 14

This is one of the most popular events of the summer sailing season! Cruise the River at your own pace, head West up the Rappahannock, turn right up the Corrotoman and make your way up the Eastern Branch and look for the circle of Regent Pointers off to starboard.

Once tied up, you get to tour all the boats, taste the unique appetizers on each boat, take a swim and have a blast! As evening sets in the group breaks up and you can either tie up with friends and party on or set off on your own for a quiet evening on the hook!
